## **PRESIDENT'S REPORT – Deb Waldron**

We went to Boiwral to watch the State and Senior Singles Regional Playoff. The weather was a bit wet and cool but the games were great.

I wish everybody a Merry Christmas and a Happy New Year. See you in the New Year.

## **MATCH REPORT – Brenda Cairney**

The regional singles were played at Bowral on the 28<sup>th</sup> of November two very good games.

Sue Moore from Figtree Sport 25 defeated Gail Fraser 22 from Bowral this was any bodies game came right down to the last couple of ends.

The senior singles won by Vicki Turner Warilla 25 / 13 defeated Enid Brown from Bowral and for the first time Vicki has won the singles championship so congratulations to both players go well in the State also these ladies played in drizzle and a bit heavier rain towards the end well done to all who played.

A little bit of housekeeping for the Secretaries. When you are given a draw for a District championship could you please make sure you give the player's the draw and information page also could you make sure you copy them in colour as well, There's a reason we do them in colour so they are easier to read and understand, There was some confusion in the singles that have just been played as to whether it was AM or PM.

The match committee would like to wish everybody a happy, healthy and safe Christmas and new year see you all next year.
