Variations require a minimum of 48 hours notice to the Match Committee.

FILLING OUT THE FORM

The "Match Details" and "Change Requested By" sections of the form are to be completed by the player/team who is/are requesting the change.

The player then contacts the opposition requesting a change to the date/time.

If the opposition agrees to the change, they complete the "Verification" section.

The person requesting the change, submits the form to the Match Committee in person or via email.

The Match Committee will review the change within a reasonable time frame.

Once approved, the players will be notified and a notice of approval will be placed on the board.

If the Match Committee gives its consent, the new date/time is binding. Should a player or team not be able to meet their commitment, the Substitute, Replacement or Forfeit rules in the Conditions of Play will apply.

PLAYER OBLIGATIONS

Players should never be forced into agreeing to any change in their game and are not obligated to accept any changes. The obligation is on the player(s) requesting the change, to accept the outcome.

Our main goal is to show an understanding of, and commitment to fair play, ethical behaviour, integrity and a general goodwill toward our opponent.

If an agreement cannot be reached, the Substitute, Replacement or Forfeit rules in the Conditions of Play will apply.

GUIDELINES

All variations require a minimum 48 hours notice, however, any special circumstances may be taken into account if required.

Variations will not be considered without a completed form.

Variations will not be considered for requests after the scheduled play date.
